**FRONT ELEVATION**

A diagram for the front elevation of a building. It consists of a large empty rectangular box. To the left of the box are two vertical arrows, one pointing up and one pointing down. Below the box are two horizontal arrows, one pointing left and one pointing right.

**REAR ELEVATION**

A diagram for the rear elevation of a building. It consists of a large empty rectangular box. To the left of the box are two vertical arrows, one pointing up and one pointing down. Below the box are two horizontal arrows, one pointing left and one pointing right.

**\_\_\_\_\_ ELEVATION**

A diagram for a side elevation of a building. It consists of a large empty rectangular box. To the left of the box are two vertical arrows, one pointing up and one pointing down. Below the box are two horizontal arrows, one pointing left and one pointing right.

**LAYOUT OF PROPERTY/SITE PLAN**

A large empty rectangular box intended for a site plan or layout of the property.

**\_\_\_\_\_ ELEVATION**

A diagram for a front elevation of a building with a gable roof. It features a dashed line forming a triangle on top of a rectangular base. To the left of the rectangle are two vertical arrows (up and down), and to the right are two vertical arrows (up and down). Below the rectangle are two horizontal arrows (left and right).

**\_\_\_\_\_ ELEVATION**

A diagram for a side elevation of a building with a gable roof. It features a dashed line forming a triangle on top of a rectangular base. To the left of the rectangle are two vertical arrows (up and down), and to the right are two vertical arrows (up and down). Below the rectangle are two horizontal arrows (left and right).
